

PLANNING BOARD MINUTES

June 8, 2017

Members present were Jeff Taylor, Dave Bower, Mary Cornog and Duane Schillemat.

Meeting called to order at 7:05pm by chair Jeff Taylor.

Minutes were read, revised and approved.

- Application for scenic road cutting by Eversource was presented to the board for review. Jeff informed the board that the master plan states that safety is first, scenic considerations are second. If there are questions concerning safety it falls on the selectmen to decide.
- The Zoning and Planning Policy books were shown to the board. Jeff asked that a copy be scanned and posted on the town website.
- The board was notified in writing by Rick Popovic of the school construction project. No further action is required.
- Master Plan discussion: Discussion on the need for the Master Plan to include a Capital Improvement Plan and a procedure for the committees to communicate with the Planning Board. Should there be a unified CIP for expenditures that can be presented to the residents instead of each group competing at town meeting? Dave B will contact the Southwest Regional Planning for updated demographics for the town.

Meeting was adjourned at 8:00 pm.

Respectfully submitted: Karen Castelli, Planning Board Clerk
