

SELECTMEN'S MEETING

Inspection by the NH Department of Labor

October 4, 2012

Executive Board Attending: David Upton, Susan Hansel, Maury Collins,
Edie Drinkwater, Admin. Assist.

Others Attending: Inspector J. Digangi, NH Dept. of Labor

Inspector Digangi arrived promptly at 9:30 AM.

With all members of the Board of Selectmen present, he began his inspection of the Town Offices.

Upon completion he reviewed the list of previous violations. Each violation now received a compliance approval.

One final requirement by the NH Dept. of Labor was completion of the Town Safety Manual.

At that point Edie presented the Town of Nelson Safety Manual completed and bound.

After inspecting the manual for content, it received the NH Dept. of Labor seal of approval.

Inspector Digangi was impressed with the final renovation and thanked the Board and the Town of Nelson for its cooperation with the Department of Labor.

He indicated that other towns that are facing similar office safety issues may be referred to Nelson to visit our newly renovated office and discuss various aspects of the whole process.

The Board was pleased with the very pleasant ending to what seemed like a daunting task just a few months ago.

Upon completion of the inspection and Inspector Digangi's departure David moved to adjourn. Maury seconded.

With all in agreement 3-0.

The Inspection Meeting adjourned at 10:32 PM.
