● The Board reviewed the 2025 County Tax bill that is due in December and noted an increase over last year of \$80,251.

● Brenna reported that the Conservation Commission understands that their annual Budget will now include funding for the Lake Host Program and no additional Warrant article will be presented for further Milfoil funding. The total budget addition will be \$6,000 (\$1,000 for Silver Lake, \$2,500 for Nubanusit, and \$2,500 for Granite Lake). Brenna also reported that the Conservation Commission expressed concern that they did not receive notice of DES permits for a property on Old Stoddard. Brenna researched their claim with both the Town Clerk and Administrative office and found no permits for that property had need of application except for a new septic system which has DES approval. Mike stated that the Conservation Commission should never enter upon a landowner's property, but rather, bring any concerns to the Select Board for investigation.

● With nothing further, Mike made a motion to adjourn the regular meeting.

Brenna seconded.

The motion carried 3-0.
