Amended Minutes

Others attending: K. Castelli

*Absent:*

Brenna called the February 3, 2026 meeting of the Nelson Select Board to order at 6:04 PM.

● Following a review of a Petition article that arrived earlier on that day, and before the deadline, Mike made a motion to approve its addition to the 2026 Town Warrant.

Brenna seconded.

The motion carried 3-0.

● Brenna then began by stating that she was aware that E. Drinkwater and K. Castelli were involved in inappropriate electioneering regarding an article by petition that had been presented by several town residents. Brenna questioned how many signatures on the petition were gathered in the town office. Edie stated emphatically that was not true. Edie went on to say that she has had no personal or social relationship with the town residents who presented their article and in no way was involved with their organization and that it did not take place in the town office. Edie stated that when a resident inquired how to do an article by petition she referred them to NHDRA, NHMA, and to check language in old town reports. Brenna and Mike then both stated they received a phone call stating that a resident came into the Town office to pay their taxes and K. Castelli began to complain about the cost of taxes and related it to the Police department. They both said the resident didn't want their name mentioned. It was stated by Edie that when discussion of the petition article was occurring in the town office Edie informed Castelli, and the others involved, that the discussion should not take place in the town office as it was a neutral location. Castelli confirmed that to be true and that she immediately agreed to stop such discussion while in the town office. Brenna continued to make additional accusations against Edie while in public session. When Edie tried to correct the misinformation, believing that a resident misconstrued the 7 year rotation of Police cruisers with the Police contract of 3 years, it was discounted as not true and Brenna stated that Edie was considered not "trustworthy".

● Castelli then informed Brenna that her telephone calls, as Selectman, to people who signed the petition, and making them feel intimidated, is not appropriate. Further, she stated her belief that, as a quorum of the Select Board, living on the same property and socializing, that Mike and Brenna often engage in discussions of town business. Brenna countered that they don't vote or make decisions. Castelli said it is still a meeting and not appropriate. Brenna, to clarify, indicated that her phone calls to two residents had nothing to do with their position on the Police Department but merely a clarification of the reasoning behind the Revolving Fund as she believed they might have been misled and to clarify that they had indeed signed the petition in the town office.

● With the Caucus ready to begin, Mike made a motion to adjourn.

Don seconded.

The motion carried 3-0.
