

2021 Report of the Zoning Board of Adjustment

Four of the zoning board members are new in 2021, and there are now 5 members.

The zoning board of adjustment reviewed 3 cases for variances in 2021, two of which were very straight forward, and were approved unanimously. The third case was more complicated, and the final outcome is pending review by NH Superior Court and may be resolved in 2022.

The board now meets on the first Tuesday of each month if there are variances to consider or if there is other business to discuss. The meetings are generally open to the public.

Respectfully submitted,

Jim Newcombe, Chair
