● Police Chief J. Filipi came before the Board with an update on follow-up of a complaint of Junk Cars being brought to a property on Nelson Road as well as an update of reported garbage dumping in the area of Blueberry Lane. Chief Filipi met with both property owners to discuss options for improving their situations and not cause further harm to their neighbor's view. At this time all agreed to take some action to clean up the properties. Chief Filipi will stay in touch with the landowners to assure that steps are being taken toward improvement. General clean up as well as screening should help both situations.
