At 11:00 AM following Susan Peery's opening of the meeting of the Library Trustees, David Upton opened the May 17, 2021 meeting of the Nelson Select Board.

- The purpose of the Select Board attendance at the meeting was to hear a proposed Library grant application for the purchase of exterior furniture with umbrella or awning type shading. The furniture to be placed in a convenient location on Town property for use by all. The primary location being considered is the area between the Town Hall and the Old Brick Schoolhouse.
  
- David noted concerns over the wind creating a danger due to umbrellas or awnings becoming airborne.
  
- With details still remaining to be settled, David suggested that a sketch of the proposed location along with details of the items to be considered be submitted to the Selectmen for review.
