

Town of Nelson Selectmen's Meeting

July 5, 2017

Executive Board Attending: David Upton, Maury Collins, Gary Robinson, Edie Drinkwater, Admin. Assist.

Others attending: Jason Walter

At 3:00 PM David Upton began the July 5, 2017 meeting of the Nelson Select Board.

- David made a motion to approve the manifest for July 5, 2017 as presented.

Maury seconded.

The motion carried 3-0.

- The Board reviewed Jerry Tepe's rework of the Fire Code renovations for the Safety Building

- There was a brief discussion regarding concerns that the Police Chief raised regarding the Dog Warrant that was previously approved, signed, and turned over to the Police Chief for collection. The concern was about 2 abatements granted by the Town Clerk without the Board's approval and the Police Chief's dissatisfaction with the paperwork that he was presented from the Town Clerk. The Board agreed that the Warrant stands as originally approved and that the Police Chief must collect in accordance with the Warrant and further he should inform the Town Clerk exactly how he needs to receive the paperwork for proper collection.

- At 3:32 PM the Board recessed to visit property on Center Pond Road (owned by D. Upton) to view the old stone wall boundary along the road that has been consumed by the highway department over the years and has completely covered a section of the boundary wall.

- At 4:20 PM the Board reconvened the meeting to discuss any action that should be taken to recover the Upton property. The Board agreed to ask Mike Tarr to meet for a discussion of how he can return the wall (and overly widened road) to its original state.

- Jason Walter stopped in briefly to review his budget plan for covering 2 purchase requests that would result in an over expenditure for gear. Following his explanation of the items requested and how he plans to make budget adjustment, Maury made a motion to approve both purchase requests. IDs for gear and personal identification and safety jackets for the EMTs & EMRs.

David seconded.

The motion carried 3-0. PR# 17751 and PR# 17752

- With nothing further, Maury made a motion to adjourn.

David seconded.

The motion carried 3-0.
