

**Town of Nelson
Selectmen's Meeting
10:00 AM**

August 23, 2021

Executive Board Attending: Gary Robinson, Maury Collins, Brenna Kucinski, Edie Drinkwater, Admin. Assist.

Others attending: Greg Blake

At 10:00 AM Gary Robinson opened the August 23, 2021 meeting of the Nelson Select Board.

- Greg Blake of Southpack Solar met with the Board to present an overview and tour of the completed Solar projects so that the new Board member could better understand the construction, production, and technical aspects of each system.

Greg's presentation helped the entire Board understand the production expectations and how to evaluate risk versus value of maximizing efforts to capture seasonal changes.

Up-to-date production figures were presented to the Select Board and discussion opened regarding the possible addition of a production monitoring system that may be viewed online by anyone. The Board agreed to do further research with the town's IT service to see if this would be possible without monthly fees.

- At 11:20 AM the Board exited the Town office for a physical tour of each system.

- Upon returning, the Board thanked Greg for his in-depth presentation and agreed to be in touch with further information regarding installation of the production monitoring system after discussing it with the IT service.

- Edie presented a Building Permit application from E. Schillemat. The application was dropped off without building plans, no indication of set-backs, but included a map showing a proposed boundary line adjustment. As the application was incomplete, the Board agreed that no action could be taken until the missing plan is provided.

- Brenna reported on her calls with members of the Town Buildings Committee. Three indicated they would be fine with a break for a few months and there were mixed feelings about membership appointments. The Board agreed that there were no urgent projects that require immediately attention so they decided to hold off on appointments for the remainder of the year and to draft a letter to all committee members.

- With nothing further, Gary made a motion to adjourn

Maury seconded.

The motion carried 3-0.

12:25 PM Meeting Adjourned.

For August 23, 2021

Gary Robinson, Chair

Maury Collins, Selectman

Brenna Kucinski, Selectman
