Brenna called the August 24, 2026 Emergency meeting of the Nelson Select Board to order at 3:00 PM.

- Discussion opened regarding the Bergeron Appeal of the Selectmen's decision.
- The Board remains concerned that the "bump out" addition is the greater violation.
- Edie will file a claim with Primex regarding this appeal.
- All agreed not to offer any discussion at the Public Hearing on Tuesday evening, except to request the matter be taken under advisement and continued to a future date to give the Select Board and ZBA time for legal consultation.
- Before closing, Brenna informed the Board that M. Tarr would rather not make the new weathervane. The Board will continue discussion with T. McEachern to do the carving. Brenna will call Marc Stretch for more information about the whale/fish as he carved the current weathervane many years ago and may have more information about its origin and significance.
- With nothing further, Mike made a motion to adjourn.
Brenna seconded.
