

SELECTMEN MEETING
September 14, 2011

Present: Michael Blaudschun, Chair; Margaret Schillemat & Warren Hammack, Selectmen.
Others Attending: Lisa Sieverts, Tom Buttrick, Rob Germeroth and Bud French of the Town Building Committee.

All paperwork was signed and read and handled as was necessary.

- 1) The selectmen are looking for a starting figure to fix the Old Brick Schoolhouse, the Town Hall and the Library. What would we need to know to fix each building or if there would be any cost savings to do them together.

Make a list of issues on each of the buildings separately.

Need a plan for the Old Brick Schoolhouse and Town Hall buildings to show what we need to do on these buildings as they do need work done and should the State of NH come to look at them we could at least show that we are looking into the problems.

- 2) There needs to be some money in a warrant article for a Marketing Plan and other things that need to be done on the buildings.
- 3) We need to look at additional space out back of the Old Brick Schoolhouse for a building. This would eliminate an elevator as it would be only one floor. There is not enough space in the OBS to make the changes needed without the use of the upstairs.
- 4) The Town Building Committee and the Selectmen talked about having the public come to see the buildings and see what the issues were all about. This would help them know what was being discussed at meetings.
- 5) **Selectmen meeting was adjourned at 9:35pm by Mike. Seconded by Warren. Motion carried.**
