

Nelson Agricultural Commission Minutes
May 6, 2020
Virtual Zoom Platform

Present: Val Van Meier, John Bunce, Rachel Patterson, Mare-Anne Jarvela, Pat Rich

Meeting called to order 7:02

1. Val read Gov. Sununu's Covid-19 restrictions and noted that we did not have an April 2020 meeting due to Covid-19.
2. Seed packets filled and installed in the library courtesy of Val. We all agreed that more seeds are needed for next season. Our seed "vault" has become popular!
3. Nelson barter economy on hold for now, as are Partridge Woods & Community Garden discussions.
4. We need to stay flexible on all initiatives for the time being. There is uncertainty due to pandemic. Hopefully will be able to hold the farmers market in September in conjunction with the Nelson School, but time will tell.
5. Old Home day has been officially cancelled for 2020.
6. Work on the Colonial Garden will be limited to 2 of us as a result of social distancing requirements. Val & Mare-Anne will take on the task and will wear masks. The rest of us offered to provide pots for replanting of thinnings.
7. Meeting adjourned 7:20 pm
