

Correction to Minutes for 5/8/2012

Maureen asked how much the Monadnock Folklore Society pays for rent. She was told that each rental date is \$70.00. She voiced concern that the fee may not be covering the actual cost of the heat, lights, insurance, etc. and requested that the Board research the actual cost for each use.

Dennis and Maureen spoke of the revenue shortage and Maureen stated that the Town seems to be subsidizing the dances each week with such a low rental fee.
