

Town of Nelson
Selectman's Meeting

3:00 PM

April 20, 2022

Executive Board Attending: Brenna Kucinski, Maury Collins, Alexander Guida. Absent: Edie Drinkwater, Administrative Assistant.

At 3:05 PM Brenna Kucinski opened the April 20, 2022 meeting of the Nelson Select Board.

Al and Brenna updated Maury regarding the joint Select Board/Fire Department meeting last Thursday night. Maury had a conflict due to a Planning Board meeting at the same time so couldn't attend. We advised him the meeting was a good one and we hoped communications going forward would continue in a positive fashion. Al thought it important for the Fire Department to be more visible at Town events and encouraged them to participate in Old Home Days. Al made some comments about the heroic rescue that occurred on Route 9 in Nelson Friday am. The Select Board will plan to attend the ceremony proposed by the Fire Department to recognize the heroic efforts of the two young men who saved the occupant of the vehicle. Al thought the Select Board might also want to give a gift to the two young men. Hopefully publicity over this event might help to highlight the necessity for emergency response and help to encourage future members to join the department.

The Board reviewed a letter drafted to be sent to the ZBA regarding their request for a lawyer to represent them in an upcoming decision. Some changes were suggested.

Al moved to approve the revised letter.

Maury seconded.

Motion carried 3-0.

The Board discussed the installation of two no parking signs to be placed on Old Stoddard Rd at the problem areas near the Kulish Ledge parking area.

Maury made a motion to approve this.

Al seconded.

Motion carried 3-0.

Al made a motion to adjourn at 4:35 pm.

Brenna seconded.

Motion carried 3-0.

For April 20, 2022

Brenna Kucinski, Chair

Maury Collins, Selectman

Alexander Guida, Selectman
