

Minutes of the Meeting of the Nelson Sustainability Group, 9/24/15

Present: Barbara Voymas, Barbara Fraser, Mega Straughen, Deke Conclin, Max Nunnemaker, Michael Iselin, Maury Collins, Dave Upton.

The meeting came to order at approximately 7:15 pm after all attending members had arrived.

The motion by Michael Iselin seconded by Maury Collins that the Minutes of the Meetings of 9/10 be accepted as presented was approved by unanimous consent.

The Group agreed that we would like to have David V. continue his presentations and that we would ask him to do a repeat of his second presentation, “Sustainability and Stewardship”. The date for David's presentation was tentatively set for November 5 at 7 pm.

The Group discussed how best to encourage people to attend our educational programs; better advertising, personal contact, and/or project development. The topic of personal contact generated the most discussion and interest. Members agreed that each of us should contact our friends and neighbors, explain the mission of of the Group and ask if they would attend David V.'s next presentation on 11/6.

The next meeting of the Nelson Sustainability Group is scheduled for October 6 at 7 pm in the Meeting Room under the Library. We will continued planning for the presentation of informational programs to the community and the development of a budget for that purpose. Members will report on their experiences contacting residents of Nelson.

The meeting adjourned at 9:00 pm.

Respectfully submitted,

Dave Upton
