

Nelson Conservation Commission  
Meeting November 29, 2017  
Minutes

Draft

Kathy Schillemat called the meeting to order at 7:00PM. Present were Kathy Schillemat, Rick Church, Dave Patek, Tom Newcombe, Gary Robinson, Rebecca DiGorolomo and Anne McBride.

**Minutes:**

Kathy Schillemat asked for consideration of the minutes of the November 16, 2017 meeting. Dave moved approval and Tom seconded his motion. All voted in favor.

**Forest Management Plan** for the newly acquired land on Osgood and Hurd Hills: The balance of the meeting was largely spent discussing numerous improvements to the current draft of the Request for Proposals (RFP) and the associated cover letter. The draft was rearranged to move the goals section to the beginning of the document to give those added importance. Rebecca moved that the changes be adopted as the final RFP. Tom seconded. All voted in favor.

Rick agreed to incorporate the many agreed changes and circulate a revision to make sure it reflects the changes agreed. The NCC set February 1, 2018 as the date it would require proposals be received. The opening and review for completeness would take place at the regular February meeting of the NCC.

The NCC, then, reviewed the list of licensed NH foresters developed at the September meeting and agreed that we'd send the RFP to them. Gary volunteered to call each of them to gauge their interest. We will evaluate submissions and invite four or less for interviews.

The list:

Jon Bushbaum  
Swift Corwin  
Geoffrey Jones  
Charlie Koch  
Dennis McKenney  
Mike Powers  
Jeremy Turner

**Building permit on Nubanusit:**

Kathy reported receiving a building permit request from the Bogers on Lake Nubanusit that appears not to meet the Shoreline Protection Act setback requirements. Gary reported that the Selectmen had tabled the request pending DES review. Kathy will contact the applicants to arrange a site visit for the NCC.

Meeting adjourned 8:10 PM

Rick Church, Secretary
