

Nelson Share the Roads Committee
Minutes of meeting 6/5/18

Present: V Van Meier, M-A Jarvela, D Dellagrecca, R Pratt, M Cornog

No quorum so no votes taken. Focus was on making plans for work before **next meeting on August 21 (3rd Tuesday)**.

We will continue to look for supplies—flashy trinkets for safe riding/walking and proactive materials promoting road safety—to be distributed at Old Home Day table.

We need to define our choice of speed-monitoring machine. Val will send us the list of questions formulated at the meeting. Mare-Anne and Mary will call manufacturers of machines that fit our size criteria to narrow down the field for a vote in August.

Mare-Anne, Richie, and Mary will deliver brochures to rental agents/Apple Hill for use by summer visitors/campers. Grapevine currently in the mail will contain B&W version of flyer so most households have a copy.

Work will commence on grant proposal.

NEXT MEETING: AUGUST 21, 2018, library lower level 7pm—3rd Tuesday

Respectfully submitted,

Mary Cornog, Chair
