

Members Present: Bert Wingerson, Bud French, Barbara Fraser, Lucy Daniels, Marshall Davenson, Anne McBride

1. Prawdzik Property – DES has addressed the issues forwarded to it by the NCC and has granted approval for property updates.
2. Summer Speakers - Sharon Monahan will speak on the Shoreline Protection Act in August. Jeff Littleton will speak as part of the library series on July 8th. Amanda Stone/Frank Mitchell may speak on the Wildlife Action Plan toward the end of July.
3. Milfoil Prevention – Granite Lake Assoc. received \$1500 from the NCC to help fund lake host.
4. Geddes Property Conservation Easement – Informational meeting will be scheduled for the end of May (May26) Final easement language still not completed as of meeting.
5. Wildlife Action Plan – NCC compared NRI maps with WAP maps to look for differences in priorities. Nelson NRI shows City Hill area as priority, but is not on WAP maps. Marshall will track down town survey dealing with conservation from Gordon Peery.
