

Members Present: Bert Wingerson, Bud French, Margaret Schillemat, Barbara Fraser, Lucy Daniels, Marshall Davenson, Anne McBride  
Guests: Amanda Stone, Frank Mitchell, Scott Seamans (Stoddard CC), Peter Troop, Kathy Schillemat

1. Nelson Conservation Commission agrees to give \$1000 to the Nubanusit Lake Association for milfoil prevention.
2. Amanda & Frank distribute habitat brochures to Nelson & Stoddard.
3. Stoddard is working on NRI and developing a website through the NACC.
4. Bert suggests NCC work on website through the town website because it seems to be getting a lot of use.
5. Amanda suggests overlaying Nelson conservation priority areas with the WAP habitat maps.
6. NCC wondered about incorporating the work that Kathy Schillemat has done on vernal pools into the habitat maps. Kathy is looking to document more in town and possibly adding the information to the website.
7. NCC will revisit piecemeal conservation easements to support conservation of the Great Meadow and possibly developing a voluntary Great Meadows Stewardship Project for abutting landowners.
8. NCC looking to sponsor a naturalist guided hike to as a follow-up to Jeff Littleton's July library talk about the WAP.
9. To do: Select a date, place & guests for trip; discuss stewardship project.
