Teri, TC/TC called Dave Scanlan, the Deputy Secretary of State, and he called her back and explained that according to RSA 671:21 & 671:22 that Teri was responsible for the absentee ballots. When someone comes to apply for an absentee ballot, they will receive 2 ballots one for the town and one for the school. The School District Clerk, Kathy Schillemat, needs to prepare the school ballots and give them to the Town Clerk, Teri. The Town Clerk then becomes responsible for the ballots. The school district laws were not in the Town Clerk's law book so neither Teri nor Kathy realized what was expected of them. Things are now as they need to be for next election.
